Re: Lands belonging to Peck adjacent to Peck Road, Olive Town, Ulster County
S/B/L: 37.1-1-2.100

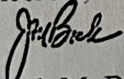

Dear Mr: Ingram:

I have inspected the subject parcel consisting of 24.35 acres on the south side of Peck Road and the additional 4.25 acres on the north side of Peck Road. Both sections comprise the lot proposed on the survey by Colin M. Houston, PLS. The total parcel size is 28.6 acres.

My observations indicate that on that parcel there is sufficient depth and quality of soil to support on-site residential sewage disposal.

If there are any questions, feel free to call.

Sincerely,

Joseph M. Boek, P.E.
