Dear Supervisor Sofranko,

It's come to my attention that there is an opening on the Town Planning Board. As you know I was a member of that Board from 2007 to 2019 resigning as Co-Chair. Since then I've been approached about a return to the Board every time there's been an opening but for personal and business reasons I've held off. At this time it appears I'm able to give the Board my attention once again. If the position has not yet been filled I ask that you consider my return to the Planning Board so that I may continue serving our Community as before.

Best regards, Edwin
