To Mr. Jim Sofranko,

Hope you are well. Heidi Emrich approached me recently with regard to current and upcoming vacancies on the Zoning Board.

Our family have been full-time residents of the Town of Olive since 2018. My husband Dave and I have owned our primary residence here in Boiceville since 2016 and we purchased the multi-family property in front of ours in 2019. I then began a painstaking gut renovation of the two dwellings which brought me into contact and familiarity with our Town's building and zoning permit process. I operate our property as licensed short-term rentals. I have a general interest in renovation and construction in addition to a passion for the beautiful area we live in and I would relish the opportunity to contribute to the continued success of our Town through volunteering for the Zoning Board.

My resume is attached and I look forward to hearing from you at your convenience with regard to next steps.

Best regards,  
Gemma Young  
Phone: (718) 564-5546
