NOW THEREFORE, in consideration of the promises and covenants set forth below, the Parties hereby agree as follows:

ARTICLE 1 – WORK PLAN

The Subrecipient agrees to utilize the funds provided through this Agreement to meet the needs identified in Schedule A, the Work Plan (the “Work”), which is attached hereto and is hereby made a part of this Agreement. The Subrecipient agrees to perform the Work in accordance with the terms and conditions of this Agreement. It is specifically agreed to by the Subrecipient that the County will not compensate the Subrecipient for any work not included in Schedule A without prior authorization, evidenced only by a written Change Order, Amendment, or Addendum to this Agreement, which is executed by the Ulster County Executive (the “Executive”) or the Ulster County Director of Purchasing (the “Purchasing Director”),

after consultation with the head of the County Department responsible for the oversight of this Agreement (the “Department Head”), and upon review by the County Attorney’s Office.

ARTICLE 2 - TERM OF AGREEMENT

The Term of this Agreement shall begin as of February 27, 2023 and shall end on August 1, 2025.

ARTICLE 3 - COMPENSATION

A **not-to-exceed** amount of **SEVENTEEN THOUSAND TWO HUNDRED AND FIFTY AND 00/100 (\$17,250.00) DOLLARS** has been established for the Work to be undertaken by the Subrecipient. Costs in excess of the above amount may not be incurred without the prior written authorization of the Executive or the Purchasing Director, after consultation with the Department Head, and evidenced only by a written Change Order, Amendment, or Addendum to this Agreement. It is specifically agreed to by the Subrecipient that the County will not be responsible for any additional costs, or costs in excess of the above cost, if authorization by the Executive or the Purchasing Director is not given in writing prior to the performance of any work giving rise to such excess or additional costs. The County shall be invoiced and make payments as described in Schedule B, “Fees, Expenses, and Submissions for Payment.”

The Subrecipient agrees to provide, at minimum, a contribution to the Work that is equal to the value of the County’s disbursed Subaward at the time of the County’s acceptance of the Work Completion Certificate(s). The Subrecipient may utilize the value of In-Kind Services to provide a maximum of Twenty-Five Percent (25%) of its contribution. The Subrecipient shall utilize the current NYS prevailing wage rates to document the value of labor In-Kind Services. The Subrecipient shall utilize the current Federal Emergency Management Agency (FEMA) rates to document the value of equipment In-Kind Services. The 2023 FEMA rates are available at: <https://www.fema.gov/assistance/public/tools-resources/schedule-equipment-rates>. Any labor or equipment class that is not identified within these rate schedules shall be brought to the attention of the County and the parties shall mutually work to determine and document an appropriate rate. All remaining, required, subrecipient contribution shall be monetary funds for the Work.

In the event that the Subrecipient receives payments, from any source whatsoever, in consideration for the same Work under this Agreement, the monetary obligation of the County hereunder will be reduced by an equivalent amount, provided, however, that nothing contained herein will require such reimbursement where additional similar work provided and no duplicative payments are received.

ARTICLE 4 - EXECUTORY CLAUSE

The County will have no liability under this Agreement to the Subrecipient or to anyone else beyond funds appropriated and available for this Agreement. The County may terminate this Agreement if funds are not appropriated, available, or are reduced for this Agreement.

The Subrecipient understands and agrees that the dollar amounts identified in this Agreement are based upon funding allocations from the State of New York and/or the Federal Government, which are the basis for any payments made by the County hereunder. In the event that the anticipated amount of funding changes, or is reduced or denied, in part or in full, the County, where appropriate, will not be liable to the Subrecipient for the difference. If the full state and/or federal funding to the County for any payment to be made or which has been made under this Agreement, by the County to the Subrecipient, is reduced for any reason whatsoever, then the County may (i) deduct and withhold from any future payment(s) an amount equal to the reduction in funding, or (ii) otherwise recover from the Subrecipient the amount of the reduction. It is understood that based upon changes in the state and/or federal funding process, the actual amounts in this Agreement may change throughout the Term. The amounts in this Agreement will be amended to reflect the actual amounts to be paid upon notification to the County by the state and/or Federal Government, as necessary.

The Plan can be viewed at <https://ulstercountyny.gov/ulster-county-compliance-plan>. Alternatively, a hard copy of the Plan will be provided upon the Subrecipient’s request. The Plan relates to the County’s compliance with relevant federal and state fraud and abuse laws. The Subrecipient represents and warrants that it has read and understands the Plan and agrees to abide by its terms when performing the Work under this Agreement. The County may terminate this Agreement, in whole or in part, at any time for the Subrecipient’s failure to comply with the County’s Compliance Plan. The Subrecipient shall ensure that each individual who perform such Work under this Agreement is provided with a copy of the Plan or given access to the Plan. The County strongly encourages all healthcare providers contracting with the County to implement their own compliance programs that address each of the elements of compliance recommended by the Office of the Inspector General, as well as the elements as recommended and/or mandated by the New York State Office of the Medicaid Inspector General.

The County will conduct appropriate screening of providers, independent contractors, vendors, and agents to ensure and verify that they have not been sanctioned and/or excluded by any federal or state law enforcement, regulatory, or licensing authority. The County will also verify that entities and businesses that provide and/or perform the Work have not been the subject of adverse governmental actions and/or excluded from the federal healthcare programs.

The Subrecipient understands that the County has established and implemented a Corporate Compliance Program and has developed “Standards of Conduct for Ulster County Vendors and Contractors” (the “Standards”). The Standards can be accessed electronically at any time by going to <https://ulstercountyny.gov/ulster-county-compliance-plan>. Alternatively, a hard copy of the Plan will be provided upon the Subrecipient’s request. The Subrecipient represents that it has read, understands and agrees to comply with the Standards with respect to its performance pursuant to this Agreement. The hotline for reporting violations of the Standards is (877) 569-8777.

ARTICLE 11 - INDEPENDENT CONTRACTOR

In performing the Work and incurring expenses under this Agreement, the Subrecipient shall operate as and have the status of an independent contractor and shall not act as agent for or on behalf of the County, nor will the Subrecipient represent the County, or bind the County in any manner. As an independent contractor, the Subrecipient shall be solely responsible for determining the means and methods of performing the Work and shall have complete charge and responsibility for the Subrecipient’s personnel engaged in the performance of the same.

In accordance with such status as independent contractor, the Subrecipient covenants and agrees that neither it, nor its employees or agents, will proclaim themselves to be officers or employees of the County, or of any department, agency, or unit thereof, by reason hereof, and that the Subrecipient’s employees or agents will not, by reason hereof, make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the County including, but not limited to, Workers’ Compensation coverage, health insurance coverage, Unemployment Insurance benefits, Social Security benefits, or employee retirement membership or credit.

Nothing contained in this Agreement will be construed to create the relationship of employer and employee, principal and agent, partnership, or joint venture, or any other fiduciary relationship.

ARTICLE 12 - ASSIGNMENT

The Subrecipient shall not assign any of its rights, interests, or obligations under this Agreement, or assign any of the Work to be performed by it under this Agreement, without the prior express written consent of the Executive or the Purchasing Director, upon review by the Ulster County Attorney’s Office. Any such assignment, transfer, conveyance, or other disposition without such prior consent will be void, and any Work provided thereunder will not be compensated. Any assignment properly

consented to by the Executive or the Purchasing Director will be subject to all of the terms and conditions of this Agreement.

Failure of the Subrecipient to obtain any required consent to any assignment will be grounds for termination for cause at the option of the County, and if this Agreement be so terminated, the County will thereupon be relieved and discharged from any further liability and obligation to the Subrecipient, its assignees, or transferees; and all monies that may become due under this Agreement shall be forfeited to the County, except so much thereof as may be necessary to pay the Subrecipient's employees for past Work.

The provisions of this clause shall not hinder, prevent, or affect any assignment by the Subrecipient for the benefit of its creditors made pursuant to Article 2 of Chapter 12 of the New York Debtor and Creditor Law, except where the Federal Supremacy Clause requires otherwise.

This Agreement may be assigned by the County to any corporation, agency, municipality, or instrumentality having authority to accept such assignment.

ARTICLE 13 – SUBCONTRACTING

The Subrecipient agrees to include the following provisions in any and all subcontract agreements for Services to be performed pursuant to this Agreement:

- A. That the work performed by the subcontractor must be in accordance with the terms and conditions of this Agreement between the County and the Subrecipient, including, but not limited to, the insurance requirements set forth in Schedule C; and
- B. That nothing contained in the subcontractor agreement will impair the rights of the County; and
- C. That nothing contained in the subcontractor agreement, or under this Agreement between the County and the Subrecipient, will create any contractual relation in law or equity, between the subcontractor and the County; and
- D. That the subcontractor specifically agrees to be bound by the confidentiality provision as set forth in Article 15 of this Agreement between the County and the Subrecipient.
- E. That any subcontracting agreement that utilizes the County's SLFRF will include the, "Required contract provisions for non-federal entity contracts under federal awards", as included in Schedule D of this contract, as well as the requirement of 2 CFR Part 200, section 200.321, entitled, "contracting with small and minority businesses, women's business enterprises, and labor surplus area firms".

Upon signing this Agreement, the Subrecipient shall provide the Department Head with the names and scope of work of any and all subcontractors to be used in the performance of the Subrecipient's obligations pursuant to this Agreement. Furthermore, upon the County's request, the Subrecipient shall provide copies of any and all subcontract agreements for Services to be performed pursuant to this Agreement.

The Subrecipient agrees that it is fully responsible to the County for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by them to the same extent as it is for the acts and omissions of persons employed by the Subrecipient. The Subrecipient will not in any way be relieved of any responsibility under this Agreement by any subcontract.

ARTICLE 14 – MWBE

Pursuant to the Federal Uniform Guidance (2 CFR Part 200, section 200.321), the Subrecipient must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. ARTICLE 15 - CONFIDENTIALITY

For purposes of this Article:

- A. The term “Confidential Information” as used herein, means all material and information, whether written or oral, received by the Subrecipient from or through the County or any other person connected with the County, or developed, produced, or obtained by the Subrecipient in connection with its performance of the Work under this Agreement. Confidential Information will include, but not be limited to: samples, substances and other materials, conversations, correspondence, records, notes, reports, plans, drawings, specifications and other documents in draft or final form, including any documentation or data relating to the results of any investigation, testing, sampling in laboratory or other analysis, and all conclusions, interpretations, recommendations, and/or comments relating thereto.
- B. The term “Subrecipient” as used herein includes all officers, directors, employees, agents, subcontractors, assignees, or representatives of the Subrecipient.

The Subrecipient shall keep all Confidential Information in a secure location within the Subrecipient’s offices. The County will have the right, but not the obligation, to enter the Subrecipient’s offices in order to inspect the arrangements of the Subrecipient for keeping Confidential Information secure. The County’s inspection, or its failure to inspect, will not relieve the Subrecipient of its responsibilities pursuant to this Article 15.

The Subrecipient shall hold Confidential Information in trust and confidence, and must not disclose Confidential Information, or any portion thereof, to anyone other than the County without the prior written consent of the Executive or the Purchasing Director, and must not use Confidential Information, or any portion thereof, for any purpose whatsoever except in connection with its performance of the Work under this Agreement.

The Subrecipient shall notify the County immediately upon its receipt of any request by anyone other than the County for, or any inquiry related to, Confidential Information. The Subrecipient is not prohibited from disclosing portions of Confidential Information if and to the extent that: (i) such portions have become generally available to the public other than by an act or omission of the Subrecipient, or (ii) disclosure of such portions is required by subpoena, warrant, or court order; provided, however, that in the event anyone other than the County requests all or a portion of Confidential Information, the Subrecipient shall oppose such request and cooperate with the County in obtaining a protective order or other appropriate remedy, unless and until the Executive or the Purchasing Director, upon consultation with the Ulster County Attorney, in writing, waives compliance with the provisions of this Article 15, or determines that disclosure is legally required. In the event that such protective order or other remedy is not obtained, or the County waives compliance with this Article 15, or determines that such disclosure is legally required, the Subrecipient shall disclose only such portions of Confidential Information that, in the opinion of the County, the Subrecipient is legally required to disclose, and the Subrecipient shall use its best efforts to obtain from the party to whom Confidential Information is disclosed, written assurance that confidential treatment will be given to any such Confidential Information disclosed, to the extent permitted by law.

Prior to the performance of any Work in connection with this Agreement, the Subrecipient shall obtain from each of its subcontractors, a confidentiality agreement running to the benefit of the County that is substantively identical to this Article 15. Further, at any time, if requested by the County, the Subrecipient shall obtain such an agreement from the officers, directors, agents, representatives, or employees of the Subrecipient and/or any of its subcontractors.

ARTICLE 16 – OWNERSHIP OF CONFIDENTIAL INFORMATION

Notwithstanding any other provision herein to the contrary:

- A. All Confidential Information, as defined in Article 15, including all copies thereof, is the exclusive property of the County regardless of whether or not it is delivered to the County. The Subrecipient shall deliver Confidential Information and all copies thereof to the County upon request.

- B. To the extent that copies of Confidential Information are authorized by the County to be retained by the Subrecipient, such information shall be retained in a secure location in the Subrecipient's office for a period of six (6) years after completion of the Work, or termination of this Agreement, whichever occurs later, and thereafter disposed of at the County's direction.

ARTICLE 17 – PUBLICITY

The prior written approval of the County is required before the Subrecipient or any of its employees, representatives, servants, agents, assignees, or subcontractors may, at any time either during or after completion or termination of this Agreement, make any statement to the media or issue any material for publication bearing on the Services performed or data collected in connection with this Agreement.

If the Subrecipient, or any of its employees, representatives, servants, agents, assignees, or subcontractors desires to publish a work dealing with any aspect of this Agreement, or of the results or accomplishments attained by its performance, they must first obtain the prior written permission of the Executive or the Purchasing Director which, unless otherwise agreed to in said written permission, will entitle the County to a royalty fee and a non-exclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, such publication.

ARTICLE 18 - RETENTION OF RECORDS

The Subrecipient agrees to maintain separate and accurate books, records, documents, and other evidence, and to employ accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement.

The Subrecipient agrees to retain all books, records, and other documents relevant to this Agreement for six (6) years after the final payment or termination of this Agreement, whichever occurs later. The County, any New York State and/or federal auditors, and any other persons duly authorized by the County, will have full access and the right to examine any of said materials during said period.

ARTICLE 19 – AUDITING AND REPORTS

All forms or invoices presented for payment to be made hereunder, and the books, records, and accounts upon which said forms or invoices are based, are subject to audit by the County. The Subrecipient shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the County so that it may evaluate the reasonableness of the charges, and the Subrecipient shall make its records available to the County upon request. All books, forms, records, reports, cancelled checks, and any and all similar material may be subject to periodic inspection, review, and audit by the County, the State of New York, the Federal Government and/or other persons duly authorized by the County. Such audits may include examination and review of the source and application of all funds, whether from the County, the State of New York, the Federal Government, private sources, or otherwise. The Subrecipient will not be entitled to any interim or final payment under this Agreement if any audit requirements and/or requests have not been satisfactorily met.

ARTICLE 20 – NO DISCRIMINATION

As required by Article 15 of the New York State Executive Law (also known as the Human Rights Law) and all other state and federal statutory and constitutional non-discrimination provisions, including the Civil Rights Act, the Subrecipient must not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition, carrier status, military status, domestic violence victim status, or marital status.

If this Agreement provides for a total expenditure in excess of \$25,000.00, the Subrecipient shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on County contracts, and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action will mean recruitment, employment, job assignment, promotion, upgrade, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation.

Furthermore, in accordance with New York State Labor Law Section 220-e, if this is an Agreement for the construction or alteration of any public building or public work, or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this Agreement will be performed within the State of New York, the Subrecipient agrees that neither it, nor its subcontractors, will, by reason of race, creed, color, disability, sex, or national origin: (i) discriminate in hiring against any New York State citizen who is qualified and available to perform the Work, or (ii) discriminate against or intimidate any employee hired for the performance of the Work under this Agreement. If this is a building service agreement as defined in the New York State Labor Law Section 230, then in accordance with New York State Labor Law Section 239, the Subrecipient agrees that neither it, nor its subcontractors, will by reason of race, creed, color, national origin, age, sex or disability: (i) discriminate in hiring against any New York State citizen who is qualified and available to perform the Work, or (ii) discriminate against or intimidate any employee hired for the performance of the Work under this Agreement. The Subrecipient is subject to (i) a fine of Fifty and 00/100 (\$50.00) Dollars per person, per day, for any violation of the New York State Labor Law Sections 220-e or 239, and/or (ii) possible termination of this Agreement and forfeiture of all moneys due hereunder for a second or subsequent violation.

The Subrecipient understands that the County has established a Sexual Harassment Prevention Policy and Discriminatory Harassment Prevention Policy which applies to all contractors and non-employees conducting business with the County. These policies may be accessed electronically at <https://ulstercountyny.gov/ulster-county-compliance-plan>. Alternatively, a hard copy of the Plan will be provided upon the Subrecipient's request.

ARTICLE 21 – PREVAILING WAGE

In accordance with New York State Labor Law Section 220-d, if this is an Agreement for the construction, reconstruction, maintenance and/or repair of any public work, the Subrecipient agrees that all laborers, workers, or mechanics employed by the Subrecipient and/or its subcontractors in contemplation of the performance of this Agreement shall be paid not less than such hourly minimum rate of wage and shall be provided supplements not less than the prevailing supplements as designated by the New York State Commissioner of Labor.

ARTICLE 22 - INSURANCE

For provision of the Work set forth herein and as may be hereinafter amended, the Subrecipient shall maintain or cause to be maintained in full force and effect during the term of this Agreement, at its expense, insurance with stated minimum coverage as set forth in Schedule C, which is attached hereto and is hereby made a part of this Agreement. Such policies are to be in the broadest form available on usual commercial terms and must be written by insurers who have been fully informed as to the nature of Work to be performed by the Subrecipient pursuant to this Agreement. Such insurers shall be of recognized financial standing, satisfactory to the County. The County shall be named as an additional insured on all commercial general liability policies with the understanding that any obligations imposed upon the insured (including, without limitation, the obligation to pay premiums) will be the sole obligation of the Subrecipient and not those of the County. Notwithstanding anything to the contrary in this Agreement, the Subrecipient irrevocably waives all claims against the County for all losses, damages, claims, or expenses resulting from risks commercially insurable under the insurance described in Schedule C and this Article 22. The provision of insurance by the Subrecipient will not in any way limit the Subrecipient's liability under this Agreement.

Each policy of insurance shall contain clauses to the effect that (i) such insurance shall be primary, without right of contribution of any other insurance carried by or on behalf of the County, with respect to its interests, (ii) it shall not be cancelled or materially amended without thirty (30) days prior written notice to the County, except in the case of cancellation for non-payment of premium which requires ten (10) days prior written notice, directed to the County's Insurance Department and the Department Head, and (iii) the County will have the option to pay any necessary premiums to keep such insurance in effect, and charge the cost back to the Subrecipient.

To the extent it is commercially available, each policy of insurance must be provided on an "occurrence" basis. If any insurance is not so commercially available on an "occurrence" basis it must be provided on a "claims made" basis, and all such "claims made" policies must provide that:

- A. Policy retroactive dates coincide with or precede the Subrecipient's start of the performance of the Work (including subsequent policies purchased as renewals or replacements); and

- B. If the insurance is terminated for any reason, the Subrecipient agrees to purchase for the County an unlimited, extended reporting provision to report claims arising from the Work performed under this Agreement; and
- C. The Subrecipient must give immediate notice to the County, through the Department Head, the Ulster County Attorney's Office, and the County's Insurance Department, of circumstances or incidents that might give rise to future claims with respect to the Work performed under this Agreement.

The Subrecipient agrees that it will require each Work consultant, Work contractor and Work subcontractor to secure and deliver to the Subrecipient appropriate policies of insurance issued by an insurance company licensed to do business in the State of New York. The policies must name both the Subrecipient and the County as additional insured/loss payee parties and shall cover the contractor's public liability and property damage insurance, contractor's contingent liability insurance, "all risk" insurance and worker's compensation for the Work. The Subrecipient shall require that copies of the applicable insurance policies be made available to the County for review upon request. In addition, the Subrecipient shall secure at its own expense, property insurance in such amounts as required by the County provided by the insurance companies licensed in the State of New York covering the equipment and facilities funded with Subaward proceeds.

ARTICLE 23 - INDEMNIFICATION

The Subrecipient agrees to defend, indemnify, and hold harmless the County, including its officials, employees, and agents, against all claims, losses, damages, liabilities, costs, or expenses (including without limitation, reasonable attorney fees and costs of litigation and/or settlement), whether incurred as a result of a claim by a third party or any other person or entity, arising out of the Work performed by the Subrecipient, its employees, representatives, subcontractors, assignees, or agents pursuant to this Agreement, which the County, or its officials, employees, or agents may suffer by reason of any negligence, fault, act, or omission of the Subrecipient, its employees, representatives, subcontractors, assignees, or agents. The Subrecipient agrees to investigate, handle, respond to, provide defense for, and defend any such claims, demands, or suits at its sole expense, and agrees to bear all other costs and expenses related thereto, even if such claims, demands, or suits are groundless, false, or fraudulent.

In the event that any claim is made or any action is brought against the County arising out of the negligence, fault, act, or omission of the Subrecipient or an employee, representative, subcontractor, assignee, or agent of the Subrecipient, either within or without the scope of the respective employment, representation, subcontract, assignment, or agency, or arising out of the Subrecipient's negligence, fault, act, or omission, then the County will have the right to withhold further payments hereunder for the purpose of set-off in sufficient sums to cover said claim or action. The rights and remedies of the County provided for in this clause will not be exclusive and are in addition to any other rights and remedies provided by law, in equity, or pursuant to this Agreement.

ARTICLE 24 - TERMINATION

The County may, by written notice to the Subrecipient, effective upon mailing, terminate this Agreement in whole or in part at any time (i) upon the failure of the Subrecipient to comply with any of the terms or conditions of this Agreement, or (ii) upon the Subrecipient becoming insolvent or bankrupt.

Upon termination of this Agreement, the Subrecipient shall comply with any and all County closeout procedures, including but not limited to:

- A. Accounting for and refunding to the County within ten (10) days, any unearned and/or unexpended funds that have been paid to the Subrecipient pursuant to this Agreement; and
- B. Furnishing to the County within ten (10) days, an inventory of all equipment, appurtenances, and property purchased by the Subrecipient through, or provided under this Agreement, and carrying out any County directive concerning the disposition thereof.

Notwithstanding any other provisions of this Agreement, the Subrecipient will not be relieved of liability to the County for damages sustained by the County by virtue of the Subrecipient's breach of this Agreement, or failure to perform in accordance with applicable standards. The County may withhold payments due to the Subrecipient for the purposes of set-off until such time as the exact amount of damages due to the County from the Subrecipient is determined.

The rights and remedies of the County provided herein will not be exclusive and are in addition to any other rights and remedies provided by law, in equity, or pursuant to this Agreement.

ARTICLE 25 - NO ARBITRATION

Any and all disputes involving this Agreement, including the breach or alleged breach thereof, may not be submitted to arbitration unless specifically agreed to in writing by the Executive or the Purchasing Director, after consultation with the Ulster County Attorney, but must instead only be heard in the Supreme Court of the State of New York, with venue in Ulster County, or if appropriate, in the Federal District Court, with venue in the Northern District of New York, Albany Division.

ARTICLE 26 – DISPUTES

In the event of a dispute arising from this Agreement, the Subrecipient shall be liable to the County for reasonable attorney’s fees, costs, expenses and disbursements incurred by the County in enforcing its legal and/or equitable rights pursuant to this Agreement by reason of the failure of the Subrecipient to comply with any of the terms, conditions or warranties of this Agreement, express or implied, and/or the exercise of County’s remedies with respect thereto, and/or any error, omission and/or professional negligence of the Subrecipient or its subcontractors, including but not limited to all attorney’s fees, costs, expenses and disbursements incurred by the County in prosecuting a lawsuit against the Subrecipient, seeking Indemnification pursuant to Article 23, and Termination pursuant to Article 24. The Subrecipient shall further be liable to the County for all prejudgment interest on any award of attorney’s fees, costs, expenses and disbursements so awarded. This provision shall survive completion of the Work and/or the expiration or termination of this Agreement.

ARTICLE 27 - GOVERNING LAW

This Agreement is governed by the laws of the State of New York except where the Federal Supremacy Clause requires otherwise.

ARTICLE 28 - WAIVER AND SEVERABILITY

The failure of either Party to enforce at any time, any provision of this Agreement, does not constitute a waiver of such provision in any way or waive the right of either Party at any time to avail itself of such remedies as it may have for any breach or breaches of such provision. None of the conditions of this Agreement will be considered waived by the County unless such waiver is explicitly given in writing by the Executive or the Purchasing Director. No such waiver shall be a waiver of any past or future default, breach, or modification of any of the terms or conditions of this Agreement, unless expressly stipulated in such waiver as executed by the Executive or the Purchasing Director.

The invalidity or invalid application of any provision of this Agreement will not affect the validity of any other provision, or the application of any other provision of this Agreement.

ARTICLE 29 - GENERAL RELEASE

Acceptance by the Subrecipient or its assignees of the final payment under this Agreement, whether by voucher, judgment of any court of competent jurisdiction, administrative, or other means, will constitute and operate as a general release to the County from any and all claims of the Subrecipient arising out of the performance of this Agreement.

ARTICLE 30 - ENTIRE AGREEMENT

The rights and obligations of the Parties and their respective agents, successors and assignees will be subject to and governed by this Agreement, including Schedules A, B, C, D, and E, and Exhibits A, B, C, and D, which supersedes any other understandings or writings between or among the Parties to this Agreement.

ARTICLE 31 - SURVIVING OBLIGATIONS

The Subrecipient’s obligations and those of the Subrecipient’s employees, representatives, agents, subcontractors, successors,

and assignees, assumed pursuant to Article 7 (Representations by the Subrecipient), Article 10 (Corporate Compliance), Article 15 (Confidentiality), Article 16 (Ownership of Confidential Information), Article 17 (Publicity), Article 18 (Retention of Records), and Article 23 (Indemnification), will survive completion of the Work and/or the expiration or termination of this Agreement.

ARTICLE 32 - NOTICES

ARTICLE 33 - MODIFICATION

No changes, amendments, or modifications of any of the terms and/or conditions of this Agreement shall be valid unless reduced to writing and signed by the Parties to this Agreement, and no payment will be due in connection therewith, unless prior to the performance of any such Work, the Executive or the Purchasing Director, after consultation with the Department Head and the County Attorney, executes an Addendum, Amendment, or Change Order to this Agreement. The aforesaid Addendum, Amendment, or Change Order must specifically set forth the scope of such extra or additional services, the amount of compensation, and the extension of time for performance, if any, for any such extra or additional services. Unless otherwise specifically provided for therein, the provisions of this Agreement will apply with full force and effect to the terms and conditions contained in such Addendum, Amendment, or Change Order.

ARTICLE 34 – FORCE MAJEURE

Neither Party hereto will be considered in default in the performance of its obligations hereunder, to the extent that performance of any such obligation is prevented and/or delayed by any cause, existing or future, beyond the control of such Party, and which by that Party's exercise of due diligence and foresight could not reasonably have been avoided ("Impacted Party") including, without limitation, the following force majeure events ("Force Majeure Events"): (a) acts of God; (b) flood, fire, earthquake, other potential disaster(s) or catastrophe(s), such as epidemics or pandemics, or explosion; (c) war, invasion, hostilities (whether war is declared or not); (d) national or regional emergencies; and (e) other similar events beyond the reasonable control of the Impacted Party.

The Impacted Party shall give written notice within thirty (30) days of the Force Majeure Event to the other Party and the Impacted Party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized.

Upon removal of such cause, the Impacted Party affected shall resume its performance as soon as reasonably possible. The Subrecipient's financial inability to perform will not be deemed to be a Force Majeure Event regardless of the source causing such financial inability. If the Subrecipient is so delayed in the timely performance of the Work, the Subrecipient's sole and exclusive remedy is to request that a Change Order, Amendment, or Addendum to this Agreement be issued by the County and signed by the Executive or the Purchasing Director, permitting an extension of time to perform the Work in an amount equal to the time lost due to such delay. Such request shall be based upon written notice only, stating the specific nature of the claim, delivered to the Department Head promptly, but not later than thirty (30) days after the initial occurrence of the event giving rise to such claim. An extension of time to perform the Work may only be granted by a written Change Order, Amendment, or Addendum to this Agreement, signed by the Executive or the Purchasing Director. In no event will the County be liable to the Subrecipient or to its subcontractors, agents, assignees, or any other person or entity for damages arising out of, or resulting from, any such delays.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under [41 CFR Part 60](#), all contracts that meet the definition of “federally assisted construction contract” in [41 CFR Part 60-1.3](#) must include the equal opportunity clause provided under [41 CFR 60-1.4\(b\)](#), in accordance with Executive Order 11246, “Equal Employment Opportunity” ([30 FR 12319, 12935, 3 CFR Part, 1964-1965](#) Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at [41 CFR part 60](#), “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended ([40 U.S.C. 3141-3148](#)). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The requirements of [40 U.S.C. 3704](#) are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
