RE: Lisa Hubbard - Site Evaluation of Lot 2 - Tax Map #45.1-1-41  
342 Watson Hollow Road, Town of Olive, Ulster County

Dear Planning Board:

My office has made a site evaluation of the above referenced property. Based upon this evaluation, it is my professional opinion that the lot meets the minimum requirements for the installation of a sewage disposal system as per Appendix 75-A of the N.Y.S. Public Health Law. There is adequate soil depth, slope, and area to support a house, well, sewage system, and 100% reserve area that could be approved by the New York City Department of Environmental Protection and Ulster County Health Department.

If you have any questions or need any additional information, please do not hesitate to contact me.

Sincerely,

Rex Sanford, P.E.
