Resolution #15 of 2024

Transfer of Reserve Funds to Pay for an Office Phone System

WHEREAS, the Town of Olive, in Resolution #15 of 1996 established Reserve Fund K entitled Office and Computer Equipment pursuant to Section 6-c of the NYS General Municipal Law to provide funding for office and computer equipment for the Town of Olive Offices, and

WHEREAS, the Town Supervisor, in consultation with RingSquared, the telecommunication service provider for the Town of Olive, determined it to be in the best interest of the town to replace the existing and outdated analog telephone system at the Town Office and Highway Garage at 45 Watson Hollow Road, West Shokan with a digital Voice Over Internet system due to the age of the existing system and the increasing costs for the analogue telephone service provided by Verizon; and

WHEREAS, the town's previous telecommunication service provider notified the town that the existing telephone system serving the Town of Olive offices is outdated and parts for the system were no longer available; and

WHEREAS, the town solicited two requests for proposals, HRT and RingSquared, for the replacement of the analogue phone system with a digital phone system at the town offices and found the RingSquared provided the best value and upfront cost for its replacement digital phone system; and

NOW, THEREFORE, BE IT RESOLVED, the Town Board of the Town of Olive approves transfers of up to \$4,000 from Reserve K Office and Computer Equipment to Central Communication System Equipment AO1650.2 for the acquisition of a new digital telephone system for the town and highway office telecommunication system; and
