<u>Part 1 – Project and Sponsor Information</u>			
Name of Action or Project: Change of Class in SLA license - Grocer Beer to Tavern Beer/Wine license			
Project Location (describe, and attach a location map): 3998 Route 28, Boiceville, NY 12412			
Brief Description of Proposed Action: We will be applying for a change of class to our SLA license, from a Grocer Beer license to a Tavern license. We do not anticipate any changes to the exterior or interior of the building for this license change. The intent is for us to have the ability to serve and sell beer for on-premise consumption at our store. We will continue to operate as a grocer/beer store but will now be able to serve beer from our pre-existing taproom, which is currently being used as a to go only growler fill station. Our hours of operation will only slight change (from 6pm to 8pm) as we do not want to be a late night bar. With the license change, we will be able to convert the taproom to go only station into a bar. We have a six tap kegerator, full sink and small taproom bar with seating already pre-built from our initial build out. The only thing we anticipate adding into the space is tables and chairs for people to be seated. We have cleared out an area for food prep per SLA needs.
